Tahara's strength in surfing

1 Natural environment suited for surfing

Waves suited for surfing are available year round, and surfing spots such as "Irago", "Long Beach" and "Loco" are well-known among surfers for the high quality of their waves.

2 Abundant experience in holding games

International games have been held almost every year since 1995, sometimes with as many as 500 players and coaches invited.

3 Excellent facilities

There are free parking spaces at Long Beach and Loco Point, and surfing spots are just in front. Both spots are equipped with locker rooms, hot water showers and Wi-Fi.

Tahara's strength in triathlon

1 Natural environment suited for triathlon

Blessed with a mild climate all through the year. A peninsula surrounded by sea in three directions. The roads to beaches are well-prepared and the access between land and sea is good.

2 Abundant experience in holding games

Games have been held for the past 29 years, with around 1,000 participants each year. The local government and people cooperate to hold games that satisfy everyone from beginners to top athletes.

3 Excellent facilities

Many well-equipped accommodations are located in the Irago area. There is also a track and field stadium, which is a 4th grade facility certified by the Japan Association of Athletics Federation, in Shiroya Kaihin Park, Tahara City.
